

## Green Up Day 2023

Dear Danville Residents:

Green Up Day is coming up **on Saturday, May 6th, 2023!** Cleaning up and greening up helps keep our earth healthy and makes Vermont beautiful and safe.

You can pick up Green Up bags at the Danville Town Hall anytime and at the Recycling Center on Saturday mornings or find the Girl Scouts on the Green on April 29th, 11am to 1pm. You'll get a homemade treat if you pick up a bag from the scouts on the Green!

A sign-up sheet and map to show where you will be greening up will be available at bag pick-up. If you live in another town, please get in touch with your Green Up Town Coordinator for your local details.

Bring your filled bags to the Stump Dump on Green Up Day by 3pm and make Danville the cleanest town around!

Thanks!  
Girl Scout Troop 51442
